

North Devon Sports & Classic Car Club

April 2022

Families in Grief (FiG) was the very happy beneficiary of a cheque for £1,400 at the North Devon Sports and Classic Car Club's AGM in Westward Ho! on 13th March.

Nicky Geddes (FiG Trustee) is seen receiving the funds from the Club's Chair, Tim Hatcher and Ann Whitehead, Charity Liaison.

The Club chose FiG as their charity of the year at their AGM in 2020, just days before the first lockdown. "All the car shows were cancelled that year but we did meet for socially distanced picnics, when allowed, and the collecting box would always be shaken vigorously!", says Ann.

Thanks to all our members for their generosity. More charity news on page 6

CHAIRMAN'S CHAT

Another day and another “full fat boy's breakfast” (other options are available!), having just returned from our last breakfast meet at the Sandbanks Cafe in Yelland I can honestly say the sofa and an afternoon film looked very inviting. It was great to see so many people out in the glorious spring weather in sparkling cars and gleaming chrome! Thanks Judy for arranging all our breakfast meets over the winter period.

The AGM was also well attended with around 60 members present, I am sure the carvery lunch beforehand at the Waterfront Inn had absolutely no bearing on the attendance numbers.....we are the North Devon Sports and Classic Car and Calorie Club after all! As a few people have mentioned we always seem to end up eating somewhere, but then all that polishing and waxing does work up an appetite. Once again our very able Secretary Clare Kane did a sterling job, keeping all the paperwork up to date, me in check and the post meeting minutes produced and out to all very quickly. Bob Meller sorted the AGM venue and both he and Clive England were on hand to collect the annual subscriptions. Please remember that, if you haven't paid yet, that subscriptions are now due, and the months grace for the Newsletter expires at the end of April.

Drive It Day preparations are coming along nicely with around 20 cars booked in to date. No doubt there will be a flurry of entries from now on but please remember that only the first 30 cars will receive a commemorative rally plaque. The events listings continue to grow and with Saturday meets looking to be added to the Club's activities this year it looks as if we will all be out and about a lot. The membership remains healthy and steadily grows, it seems that the number of Triumphs on the club register has actually surpassed the number of MGsI mean really! All joking aside it is great to have such a mix of cars in the club and ranging throughout the years, I have always said that we cover everything from a Morris Minor to a Murcielago and it's true.

As you coax your pride and joy out from hibernation please remember to give everything a thorough “eyeballing” especially if you do not intend to MOT. Pay particular attention to the fuel hoses as the ethanol can cause them to break down and leak.

I hope that this sunny dry spring is a sign of the things to come this summer and that I'll see lots of you all out and about in the coming months.

Cheers
Tim

Dear Ann

I am writing to thank you and all the members of the North Devon Sports and Classic Car Club for your wonderful donation of £1400. We had no idea it was going to amount to such a large total, particularly as fundraising activity took place during Covid restrictions.

So thank you for raising such a fantastic sum of money and for choosing Families in Grief as your beneficiary charity for two years in a row!

As you know, we rely solely on donations and grants to enable us to support children, young people and their families in the North Devon and Torridge area, who experience the death of someone close to them.

Your gift will help us to continue to support families who need us, so we very much appreciate your kindness.

If anyone from the Club would ever like to find out more about our work or require support, please do get in touch.

In the meantime, please pass on our gratitude to all the Club members and thank you again.

With best wishes

Emma Marston

Coldharbour Victorian Woollen Mill and Museum of Textile Pre & Post Industrial Revolution.

Coldharbour Mill is one of the oldest woollen mills in the UK still in production, with a mill standing on the site since Saxon times. Today it produces artisan yarns and fabrics using the machinery installed by the Victorians at the height of the Industrial Revolution.

Visit us for a rare chance to re-live the sights and sounds of the industrial revolution, and to see crafts men and women making traditional textiles, beautiful knitting yarn and hand woven rugs.

Spinning was the primary purpose of the Mill and we are delighted to have many of the original spinning machines working on production days.

Things To See

STEAM AND WATER

Watch the giant waterwheel at work and discover how bringing steam to Coldharbour Mill brought the industrial revolution to the South West.

THE BOILER AND ENGINE HOUSES

Explore the Lancashire boiler house, the engine houses with Pollitt and Whitel engines and our own beam engine, see how steam was used to generate electricity at the turn of the last century.

ECONOMISER HOUSE

The earliest form of heat exchanger taking hot gasses from the boilers to reheat water flowing into the boilers before being emitted through the factory chimney, one of only three examples of its kind in the country and only one of two still in working order.

Grist Mill Café Bar

Take a break in our on-site café. Hot drinks, cakes and snacks are served during Mill opening hours.

Mill Shop

The on-site gift shop showcases our range of yarns and textiles all made on-site. You'll also find locally made gifts and treats.

Production Days

SECOND WORLD WAR

AIR RAID SHELTER

Experience the workers air raid shelter during the Second World War, complete with exhibits of period equipment.

STEAM CARPENTER'S WORKSHOP

The recently restored carpenter's workshop which on Steam Days is driven by its own steam engine.

SPINNING AND WEAVING

Little has changed since the 1800s in the factory and we pride ourselves in producing knitting yarn and textiles on heritage looms using only traditional craftsmanship handed down through generations. See the wool spinning process pre to post industrial revolution.
