CHAIRMAN'S CHAT

It is with great sadness that I report the passing of long term member Christine Newman. Christine and Ian were often seen out in Christine's sparkling Toyota Celica although in latter years Christine's debilitating illness often meant that they limited their Club trips to the monthly "Nosh and Natter" meetings. Our thoughts are with Ian and I know that you will all join me in offering any support that Ian may need at this difficult time. The Club has sent a card on behalf of all the members and made a donation to the Charity that Christine supported. I sincerely hope to see Ian out and amongst the "petrol head family" in the future.

Drive it Day was a great success with over 25 cars and 40 plus members enjoying breakfast at Quince Honey Farm, the trip over Exmoor and the visit to Coldharbour Mill (with the obligatory and nil calorie cream tea!). The weather was kind, the river fords were low, and fortunately only a couple of members got lost for a while, but in the end they "Triumphed" and were only about 15 mins behind the rest of us!

I hope the recent dry spell has enabled you all to get out and about in your cars and as you can see there are lots of events coming up in the calendar. We will have the big Club gazebo at the South Molton Show as well as Rosemoor, Ilfracombe and The Merry Harriers to name but a few. We have also invested in a couple of lightweight pop up type shelters that will easily fit in the boot of a small car.....just in case the unpredictable British weather becomes more predictable.

Throughout the season some of you may well attend some marque specific national events. If that is the case feel free to post up on Fb or send the Editor some shots of your cars amongst the gathered ensemble. It also goes to show that NDSCCC members do get out of Devon.....and that passports are not needed!

It is always great to meet new members at our events and it seems that at virtually every event there are at least a couple of new faces. So if I don't see you first do, please, make yourselves known to me/us we are all very approachable. I'll apologise in advance if the first question I ask is "what car", after all your car is the magic introductory ticket to the social life with all us car enthusiasts.

Cheers
Tim

NDSCCC EVENTS CALENDAR— 2022

IMPORTANT - Please note:

At all Club events, a member of the committee may take details of you and your car. This is for several reasons:-

- 1 — It allows the Club to check that your membership is current and therefore you are covered by our insurance
- 2 — It allows the Club to keep the database of vehicles current
- 3 — It allows us to track attendance to see how viable / popular events are

All information is solely for the use of the Club and no information is passed on to third parties.

We trust you will support us in this matter.
