# CHAIRMAN'S CHAT

Firstly, I am sure that you will all join me in wishing Ann Meller a speedy recovery following her recent illness. Fortunately the NHS did her proud, and following late night heart surgery, she is now back at home and well on the mend. Bob will no doubt be kept busy feeding her grapes and the like upon request.....via a small hand held bell!

As we round off May we can note another bout of successful events. The War House Country Park visit, Bideford Quay display and the Watermouth Castle event were all well attended, so thanks go out to Mark and Di, Clare and Ant and Ross and Rob respectively. I was particularly pleased to see over 40 of your cars on Bideford Quay, and with a lot of Public footfall it certainly raised the profile of the Club, as did the journalistic piece in the North Devon Journal. We will be having further such Quay displays in the summer albeit on some Saturdays so as not to conflict with the already organised Sunday events. One thing that is of note is that only paid up members can attend these events, although we can offer subscription on the day. I am afraid that the litigious society we live in means that insurance is a must, and the Club and by extension paid up members have static event insurance.

Whilst on the subject of the law it may surprise some of you that there is a Police website where dash cam footage can be downloaded for the purposes of identifying driving offences by the Police. I understand that prosecutions and fines etc can be made using such footage. Obviously the images need to be of a reasonable quality with registration numbers detectable etc but then most modern dash cams make suitable recorders. The proliferation of dash cams, especially on HGVs, is understandable given the number of insurance scams being claimed and may well mean insurance discounts in the future for vehicles so "protected". I can't help thinking it is all a bit "Big Brother" but given the lack of traffic police, I suppose on balance it is a good thing that you never know WHO is watching you. Especially so when we are out and about in our pride and joy, cars which do tend to stand out against the flow of the euro boxes!

The NDSCCC membership continues to grow and a big welcome to all our new members, it really is great to see such a diverse collection of vehicles and to meet new folk with a shared interest. Remember the NDSCCC tea and coffee station is often out with us so make sure you have a mug stashed away in your car at all times as there are a limit to how many spare mugs I can carry in the boot of an MGB!

Keep coming to the events, I hope to see lots of you at South Molton and Ilfracombe. Victorian dress is optional at Ilfracombe as it is the last day of their annual Victorian week. Similarly fancy dress is encouraged for the Powderham Show where the Club theme is any "Carry on Film".....oooh yes it is Matron!

Cheers Tim

- 2 — It allows the Club to keep the database of vehicles current
- 3 — It allows us to track attendance to see how viable / popular events are

All information is solely for the use of the Club and no information is passed on to third parties.

We trust you will support us in this matter.

**Sunday 14th August**

## Visit the SS Freshspring situated on Bideford Quay

We have been invited to visit the Ship and learn about her history and restoration and display our Classics in the Overflow car park across from the Ship.

SS Freshspring is the only surviving example of the 14 Fresh class water carriers built by Lytham Shipbuilding and Engineering Co for the Royal Fleet Auxiliary (RFA). Built in 1946, she was the last of 14 Fresh Class water carriers, all of which were 121 feet in length. Her duty was to replenish Naval ships with fresh water for use in boilers. She also acted as a fire tender and salvage vessel when required. She returned to the UK in 1967 to replace a sister ship, Freshpond, at Devonport.

Prior to being put into reserve in 1976 at Gareloch, she also worked in and around the Clyde and Pembroke docks and she was surveyed and refitted at Ardrossan in 1969.

Tea and Coffee is provided and a seating area on Board if you chose to bring a picnic.

Entry Fee of just £2.50 per person, payable on entry and car parking is free.

# NDSCCC - Where we've been War Horse

## War Horse Valley Country Park at Iddesleigh, Sunday 8th May

The start of our May events got off to a sunny start with a trip To the War Horse Valley Country Park at Iddesleigh on Sunday 8<sup>th</sup> May. Organised by Mark and Di Coles. The day out was very well attended.

The day started with a scenic drive through the Devon Countryside

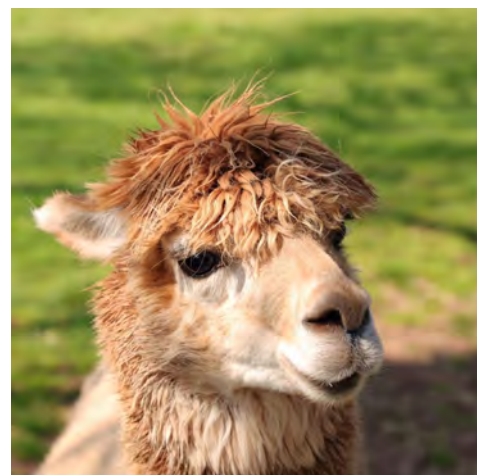

We were greeted on arrival at the museum by Bernard the grumpy Norfolk turkey, who was particular vocal (sage and onion stuffing and Christmas dinner was mentioned to him by several members) and 2 Guinea fowl who took a liking to their reflections in some of the cars chrome work. Who knew Guinea fowl could be so vain!!

Everyone enjoyed a fun but bumpy trailer ride across the fields with owner Graham Ward taking the wheel of the tractor, with his loyal collie by his side. Graham gave a really informative and fascinating talk about "The War horse Valley ", its flora and fauna and the links to Michael Morpurgo and the story of "Joey" the war horse . We also witnessed cow herding by the sheep dog.

On our return to the farm we enjoyed a hot pasty and a cuppa prepared by Graham's wife Rose in the tearoom. Many members had a delicious ice cream or a piece of homemade cake for pudding.

There was lots to see including a small museum and some familiar farm animals, a firm favourite was a recently born miniature Donkey .

A great day was had by all.

# NDSCCC - Where we've been Bideford Quay

On Sunday 15<sup>th</sup> May Over 40 cars and 60 plus members descended on Fisherman's Wharf, Bideford to put on a great display of vehicles for the public to enjoy. The display area was full, with no room to spare. There was a constant stream of people coming to look at the cars and chat to members throughout the day. A surprise visit from a local journalist saw the cars and some of the club's members appear in a great write up in the North Devon Journal with the club making front page news. There are plans to make this a regular yearly event as it was so well attended by club members and thoroughly enjoyed by the public.
