# CHAIRMAN'S CHAT

I hope everyone has managed to stay cool and hydrated over the last few weeks. Whilst I love the hot weather I have to say the drop in temperature back to the 20s and a bit of rain has been welcome, especially for the garden and vegetable plot.

With the school holidays in full swing we have had a couple of weekends "off" in August albeit I know that some of you have found a few other local shows to go to keep your hands in. Some of our members have been at the Norton Fitzwarren Steam Up near Taunton and we are looking at having a Club presence there next year. There was also a Witheridge Show in aid of the Devon Air Ambulance and again we are looking at the potential for a Club stand next year, now that we have tried it out!

The Club had a very successful visit to SS Freshspring with a display of around 20 of our cars adjacent to this 1947 freshwater carrier that used to supply Royal Navy battleships operating out of Malta. It is of the same design used in the 2<sup>nd</sup> World War and was steam driven itself. The ongoing conservation work and the real and virtual tours were very interesting. A big thanks to Mike Simpkins for bringing along the cake!

As I write we are getting ready for the Merry Harriers Show on Bank Holiday Monday. It promises to be a great event with around 100 cars on display, and of course a great garden centre to look around as well as a cream tea potential! Thanks Robin for arranging it all.

September is looking to be another busy month with the Dulverton Vintage Fayre on the 4<sup>th</sup> (please meet at the A361 truck stop/cafe on the Tiverton bound side at 1015), the Club Treasure Hunt on the 11<sup>th</sup>, Bob Harrison's Children's Hospice Run also on the 11<sup>th</sup>, The Big Sheep Show on the 18<sup>th</sup>, Castle Combe Classic on the 24<sup>th</sup> (again meet at the A361 truck stop/cafe on the Tiverton Bound side for 0730), and the Helicopter Museum visit at Weston Super Mare on the 25<sup>th</sup>.

Looking forward to October the 2<sup>nd</sup> we have the NDSCCC Autumn Run starting with a breakfast meet at Quince Honey Farm, before an across Exmoor drive to the West Somerset Railway and then a return via Kentisbury Grange for a cream tea. Thus once again putting the Calories into the NDSCCC. The entry form is in this magazine, and the first 30 cars booked will get a Monte Carlo style rally plaque to mark the event.

For those of you who would prefer to sit back and let the boat take the strain I would recommend the Tiverton Horse Drawn Barge trip!

At every corner we seem to be told of the cost of living crisis we will now be facing. With all the bleak news it would be easy and understandable to slip into a pessimistic state of mind, but hopefully using our pride and joy to meet up with like minded people will help us banish the blues. On a practical note checking our tyre pressures and ensuring our cars are in tune will help to keep such activities affordable.

Finally a warm welcome to our new members, and do make yourselves known to us all at the first event you join us for, and always carry a spare china mug as we usually have brew on. (Mugs are available for £2.50 from club shop! - Ed)

Cheers  
Tim

# NDSCCC EVENTS— Castle Combe Autumn Classic

## 24th September

The Castle Combe Autumn Classic discount code and booking instructions are as set out below. Please note the event has been brought forward ...hopefully to break the track record (no pun intended) of it being a very wet event! As per normal we will meet on the link road at the Truckstop just past South Molton at 0730 and travel up together. Please let Tim Hatcher know if you will be joining us there so he can do a quick head-count on the day. If you are making your own way/staying over that is fine as well ...just let Tim know. We will take a gazebo and put on some bacon baps etc so Tim will need to know who is going. The event is a great day out and it is not often you can see classics tearing up the track, get close to the action in the pits and all at a reasonable price and within striking distance of North Devon. This is a watching event rather than a taking part event although there is usually an opportunity to take to the track for a slow meander round if booked in advance.

### Instructions for booking:

Members can now purchase club passes and reduced price track time for Autumn Classic Historic Race Day. To do this you will need to select "North Devon Sports and Classic Car Club " from the dropdown list in the club member zone, and input the following code when selecting items for purchase.

Your unique club booking code is: **NDSPORTSAUTUMN22**

This code is to be used by **NDSCCC members only** and should not be shared with third parties.

The link to book club tickets is as follows:

<https://castlecombecircuit.co.uk/shows/autumn-classic-historic-race-day/24/09/2022/club-book>
