June 2026

The very bright and new NDSCCC Gazebo on its maiden show at Barnstaple Museum Square

CHAIRMAN'S CHAT

Hi All,

May gave us a mixture of weather, starting on the 10th with Watermouth Castle with a large number of cars, Members and non-members. Quite an eclectic mix of cars but with the sun not showing itself it was chilly, but some made the most of free entry and with most of the rides being free, some laughs were had, my thanks go to Rob Merrit & Ross Griffin for organising the event.

At the end of May we had club stand event at Barnstaple Museum, on the square. A different event this year, as we had the Mission Aviation Fellowship join us with their Cessna 150 (if you want to read about this Charity please check their website).

With 38 cars and a plane the site worked well for both events. With a constant flow of spectators walking through the area it was a great success and the weather started overcast but the sun and heat came out in the afternoon. All the feedback was that this was the busiest show at the Museum for a long while.

This was the first show with the new Gazebo with our logo on in place, (on the front cover - Ed) it looked fantastic and I'm sure there will be some photos for all to see. Thanks to Ian McPhie for his work in getting said Gazebo. I also would like to thank Di Coles for all her hard work in making sure the show went well and that the other Charity with the plane were looked after and all their event needs were accommodated.

It was a great day for Membership Secretary and Merchandise coordinator (Bob & Rob) who were kept busy.

Thanks Guys.

Hope to see you in June.

Cheers for now

Mark

NDSCCC EVENTS CALENDAR—2026

IMPORTANT - Please note:

At all Club events, a member of your committee may take details of you and your car. This is for several reasons:-

- 1 — It allows the Club to check that your membership is current and therefore you are covered by our insurance
- 2 — It allows the Club to keep the database of vehicles current
- 3 — It allows us to track attendance to see how viable / popular events are

All information is solely for the use of the Club and no information is passed on to third parties. We trust you will support us in this matter.

If you do not agree, please let the Membership Secretary know.

NDSCCC - FBHVC News

29 April 2026

Dear Supporter,

Firstly, thank you for being one of over 525 clubs that support the Federation through your membership.

We are also very pleased to have nearly 70 museums as members of the Federation. It is only by working together that we can be effective and achieve our goal of giving you freedom to use your vehicle on tomorrow's roads without restriction.

In a world of constant change and financial pressures our aim is always to provide stability for the historic vehicle movement, but at the very best value to you. All our directors and 29 team members offer their services as volunteers and the only people we pay are our secretary, Mel and for bookkeeping and financial support.

Through the additional financial support of our trade members, we have managed to keep the club membership cost at 39.2p + VAT per club member for a year, for the seventh year running. But holding membership cost has not stopped us providing the services that support you. The 2025 National Historic Vehicle Survey has been completed and this is the most definitive document compiled from over 18,000 responses that details the state of our movement and the views of our members.

In terms of our interaction with HM Government, our knowledge of the historic vehicle market is unique and critical. We are the only organisation that goes out to your members for their data on vehicles and gets their views on issues that face our sector.

If you have not seen the results of the survey just visit our website: <https://www.fbhvc.co.uk> and select the 2025 Survey Results to view or download.

So, whether it be issues with DVLA, insurance for both clubs and members, archiving your club's documents, legislation change or skills training and many more, we are here to help. I hope you will once again continue to support us, so that we can support you.
