# CHAIRMAN'S CHAT

Dear Members, as January has slowly said goodbye, your committee are busy getting ready for this year's A G M, with the important matter of next year's charity to decide on and we would like your help. You will have received an email in this regard also stating the criteria for nominating a worthy charity, so please get in contact with Ann Whitehead with your suggestion.

We also will be confirming the committee for the coming year, so if you feel that you are ready to come and help with the running of the club, please make it known to the club secretary making sure you have a nominee and a seconder, as the club now have 287 members, we can always do with extra pairs of hands.

We have a full calendar of events during the season but are always open to any suggestions for events or social get-together that could help with fundraising for the club's charity.

To finish off can I send my thanks to John and Geraldine for the Christmas Nosh & Natter which was well attended by over 50 people, which is a fantastic number. We also had our post-Christmas party at the Royal Hotel in Bideford, with 43 members in attendance a great night was had, our thanks go to Judy Down for all the organizing that is involved in putting on the event.

Cheers

Mark

## Federation of British Historic Vehicle Clubs & Motorsport UK

**Motorsport UK** in their own words exists "To inspire and enable more people to be part of our sport in a safe, fair, fun, inclusive and progressive environment. To use our reach and influence to create a sustainable future for our sport ensuring we are a positive contributor to society." Whilst few of our events fall directly under the motorsport banner this organisation also provides us with details about the rules and regulation for running on-road events as well as providing public liability insurance cover for our social and display events. PL insurance cover is needed so that we can book council owned venues such as Bideford Quay and Barnstaple town square. Belonging to Motorsport UK ensures that various best practice standards and documents are followed.

As part of our club governance processes I was able to attend some free training in Exeter recently on how to safeguard and promote welfare within the club. Safeguarding is for the protection of both young people and older and/or vulnerable adults. Safeguarding is built into club constitution, costs nothing to implement and reinforces our reputation as a family friendly inclusive club. If you see or hear any issues that are of concern or have questions in this area be sure to raise it immediately with myself Clive England, Clare Kane or any other committee member.

Let me know if you have any questions about the clubs involvement with these organisations.
